Dear Sirs:

Yours of the 12th inst. to hand. In reply will state that I will take ~~an~~ <sup>the</sup> 1874 and ~~an~~ <sup>the</sup> 1878 C. C. mints trades. I have a 73 trades S., but if yours is better than mine, I will keep that also. The same regarding the 1884 O. which I have.

Ship these four to me at once. Is there any possible chance of my getting a 1904 O. mint and S. Mint Dollar. You might send me a list of what mints you have of quaters and half dollars, as I can use a few.

Dear Sirs:

Yours enclosing the four coins to hand. I return to you your 1873 S. trade as mine is far better. Your 1884 O. uncirculated as a specimen is all right, but your price at 2 1/2 is positively very high and I cannot see where it is worth more than double face value. I also send you the 1884 O. dollar at face value as I did not believe in circulating it. You may have a chance to use it.

Enclosed you will please find my check for \$4.66 to balance my account.
